" The licensee shall allow only servants who are dressed in clean clothes to attend on the ~~xxx~~ customers

The amendment proposed for sanction is as follows —

The licensee ~~xxx~~ should allow only servants who are dressed with clean uniforms or aprons to attend on the customers"

X

1) The amendment is proposed with a view to insist on the use of uniforms The object is not fully achieved by the amendment as proposed as it is very loosely worded ~~it does not define the uniforms and aprons~~ The draft of the amendment proposed by the Municipal Council therefore requires to be recast The following revised draft amendment is suggested for consideration,-

" All servers attending ~~xxx~~ on customers and other food handlers on duty shall be dressed in clean uniforms and shall also wear aprons"

2) The change as suggested above is not so material as to require the prescribed formalities being gone through again The concurrence of the Govt Surgeon is necessary for abve
